THE MAESTRO

Mr. A. D. Bradford has been principal of Milton High School for the past two years. He served his first full year as a principal at Ceredo-Kenova High School. Mr. Bradford has an MA degree from West Virginia University and an AB degree from West Virginia Institute of Technology.

The Senior Class of 1957 wishes to express its gratitude to Mr. Bradford for his guidance during these two years. We wish him much success in the future.

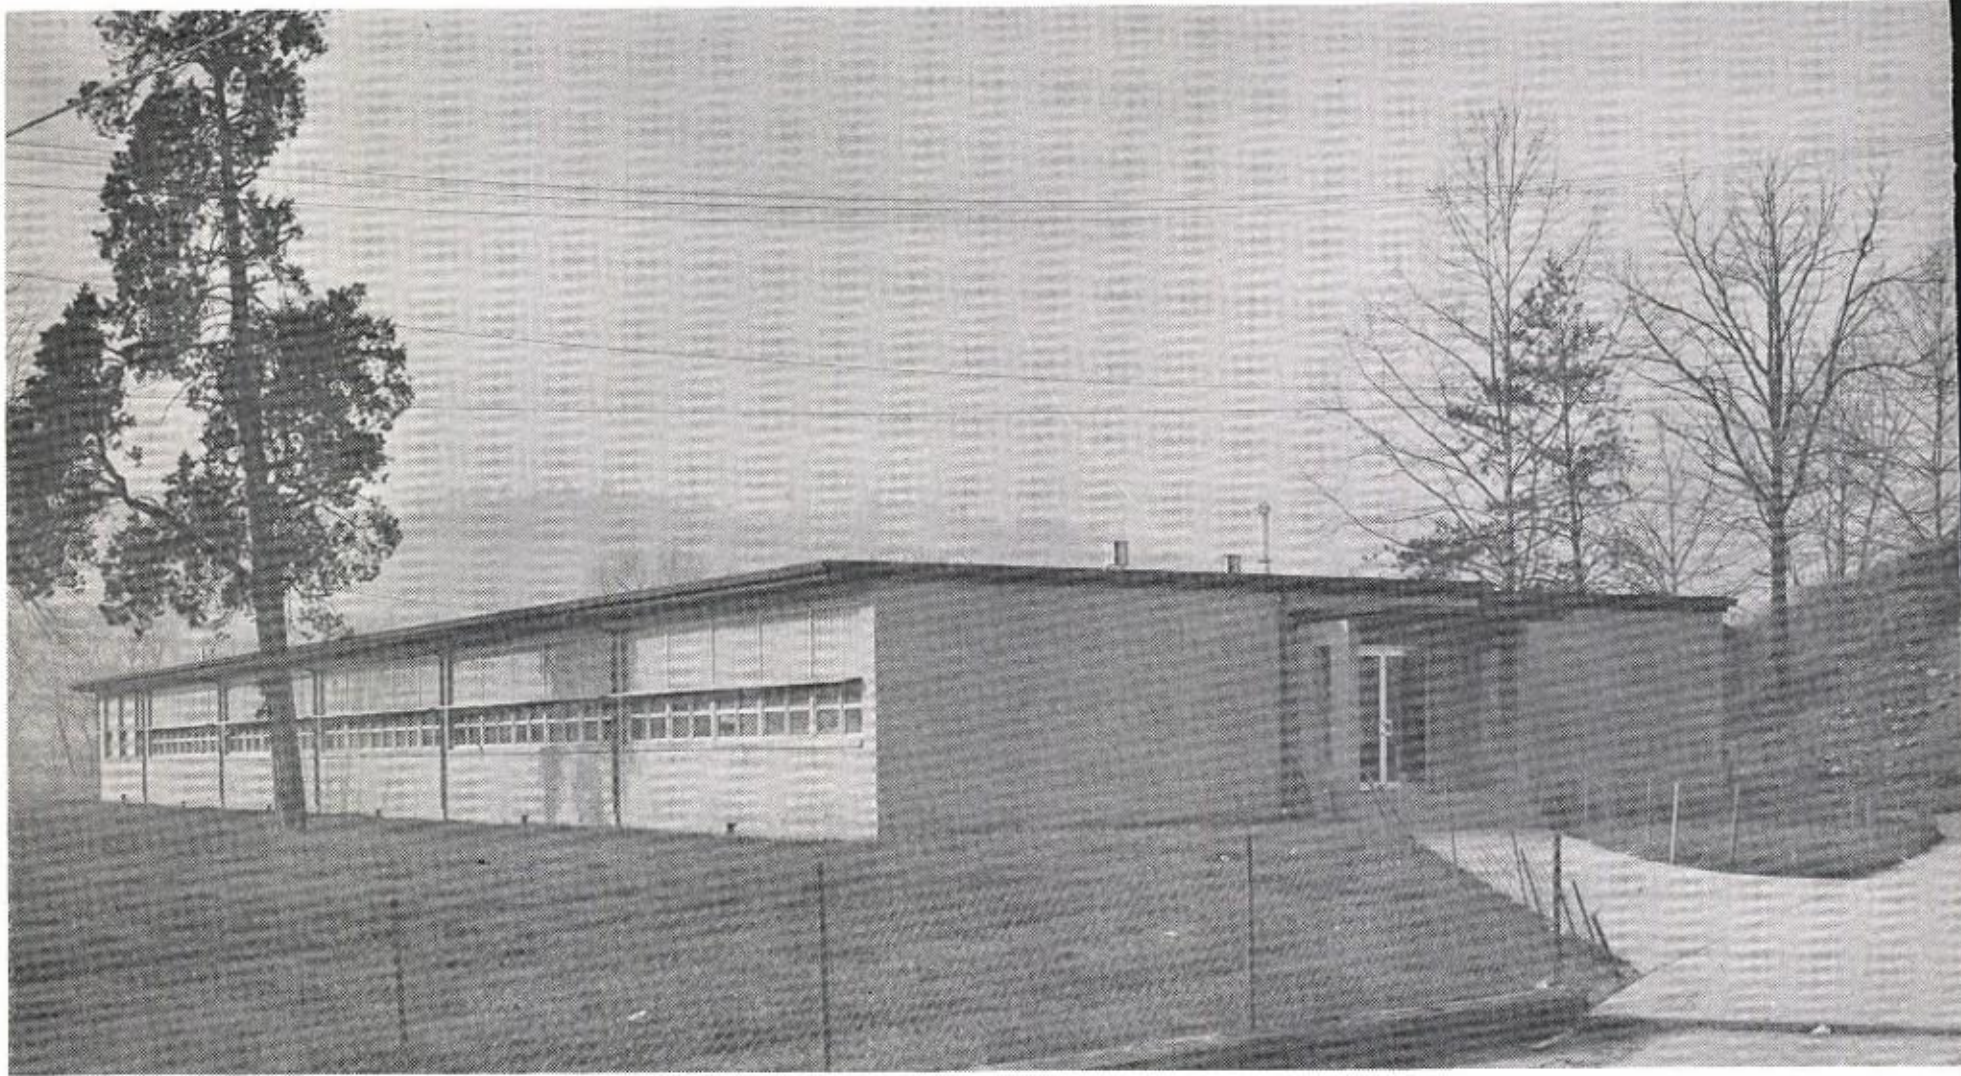

WITH GRATITUDE

We, the Class of '57, dedicate this Miltonian to Miss Ruth Wayland, commerce teacher. Her loyalty throughout all these years, and her help to us during our six-year stay at Milton High has been the inspiration for our achievements. It is largely her cooperation and hard work, as financial supervisor, that has made this Miltonian possible.

We also express our appreciation to Mr. Jack Dial, photographer, and Mrs. Jo Ann Herring, editorial supervisor, for their help with the Miltonian.

MILTON HIGH SCHOOL

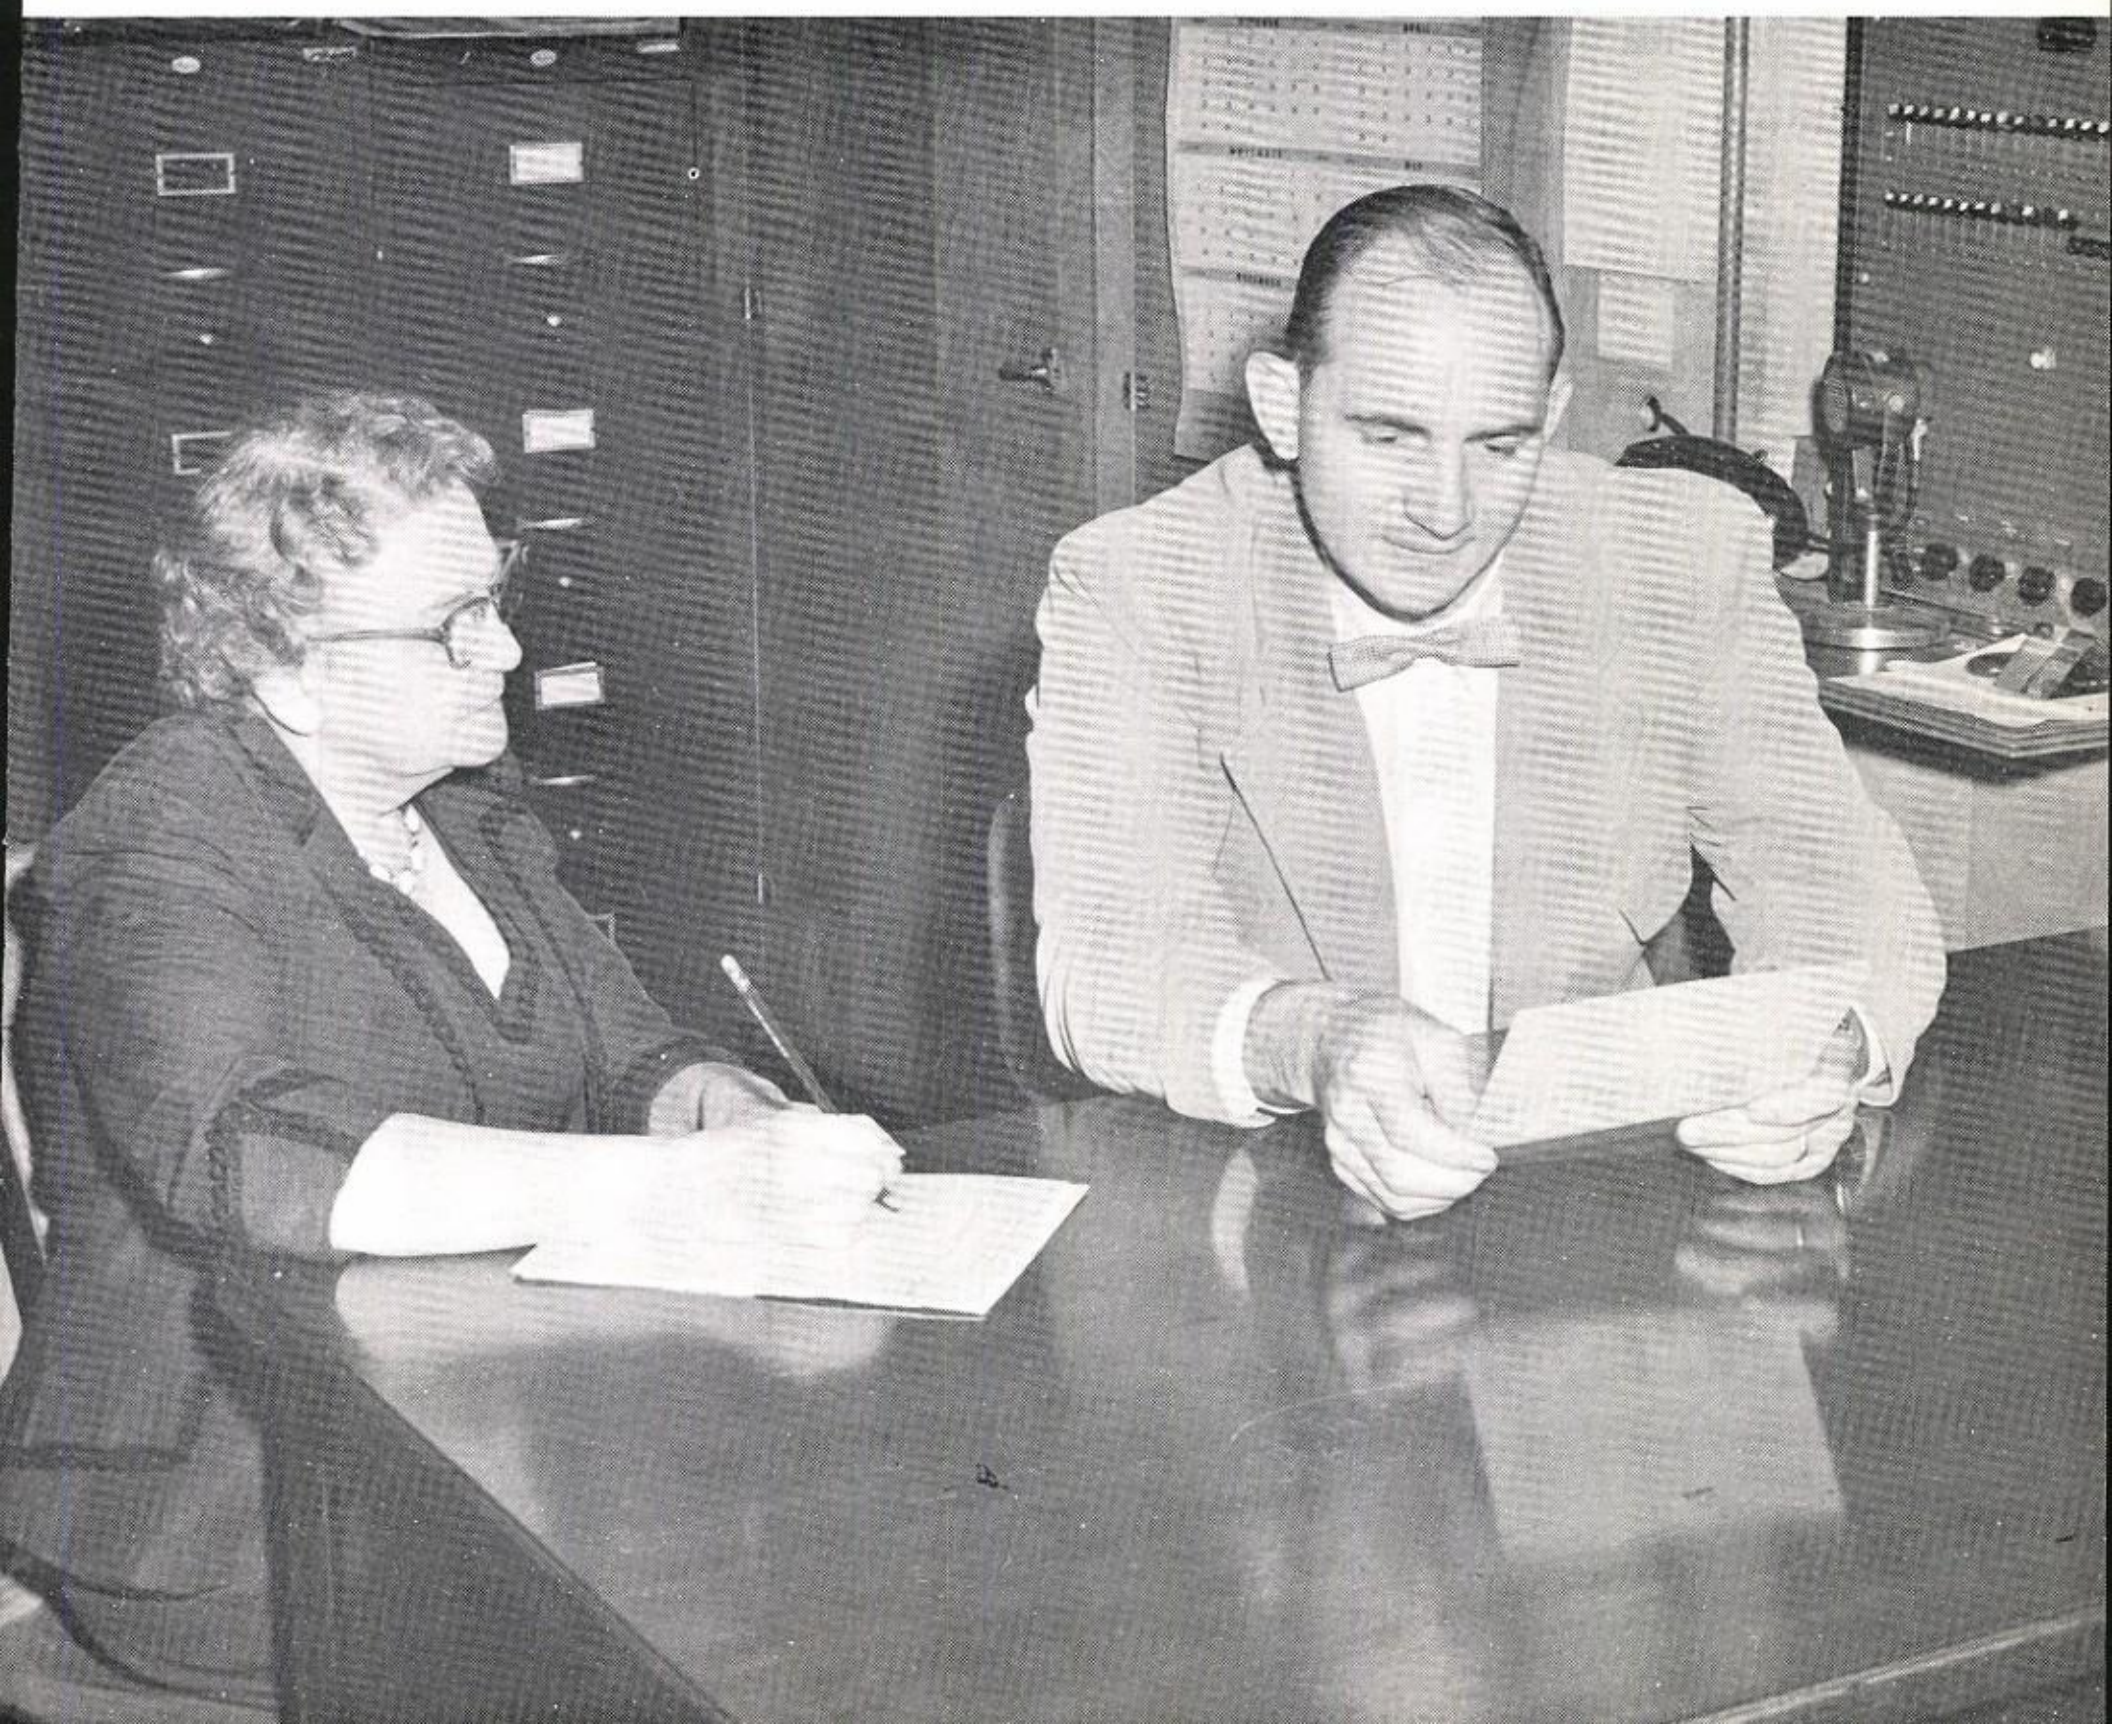

THE CONSERVATORY

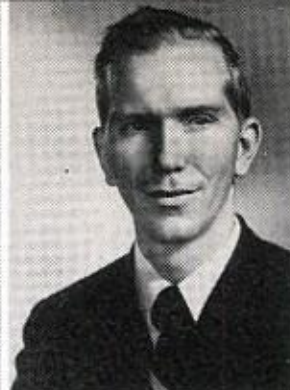

As secretary to the principal, Mrs. Sylvia Cox, left, reigns over Mr. Bradford's office in the new building. Without her friendly helpfulness, faculty and students alike would be lost!

STEPS IN THE

CHAPTER I—SEVENTH GRADE. The graduating musicians of 1957 entered the Milton Concert Hall, September 1951, as seventh graders. In these last six years of learning, our purpose was to establish a life of musical harmony.

Our Head Conductor was Mr. J. Y. Lowe, with Mrs. Allred, Miss Browder, Mr. Cain, and Mr. Basham as Assistant Conductors. Jane Hollandsworth, Sue Billups, Homer Alford, and Jimmy Cummings, were elected as Student Conductors to lead the smaller orchestras. Our doctors and nurses who were to keep the musicians in good health were Marion Hunt, Cynthia Brown, Bobby Legg, and Charles Dailey. May 1952, our musicians departed for well earned vacations.

CHAPTER II—EIGHTH GRADE. On September 1952, after a long vacation, we entered as experienced musicians of the eighth grade. Assistant Conductors who directed us were Miss Warren, Mrs. Thornton, Mr. Ball and Mr. Fugate. The new Student Conductors were Jane Burton, Parthena Sutphin, Don Sargent, and Danny Johnson. Those who practiced diligently and became members of the band were Pauletta Moses, Cynthia Brown, Marion Hunt, Jane Hollandsworth, Pat Wallace, Buddy Everett, Dixie Kelley, Arlene Dailey, and Maxwell Roberts. Paul Hatfield, Jimmy Cummings, and Bobby Jones, three of our entergetic boys, joined the junior high basketball team—with Dixie Kelley, and Jane Hollandsworth, our junior high cheerleaders, cheering them on to the tune of victory. This concludes the second year of our many accomplishments and places us a step higher on the ladder of learning.

CHAPTER III—NINTH GRADE. As the musicians entered the ninth grade, September 1953, we were automatically known as "freshman." Christine Jenkins, Parthena Sutphin, Gary Rowsey, and Bobby Jones were elected as Student Conductors, which were in charge of the orchestras of Mrs. Taylor, Mrs. Stanley, Mr. McCoy, and Mr. Throckmorton. Several of our musicians who enjoyed the music of hammers, saws, tractors and etc., joined the F.F.A. Others that wanted to use their voice as the outlet of their soul, became members of the junior high glee club. Patricia Vance, Don Sargent, Jimmy Mohr, Shirley Kinder, Parthena Sutphin, and Jerry Templeton enjoyed making music with their instruments, so they joined the band. Our most active male soloists joined the junior high football and basketball teams. Musicians on the football team were Paul Hatfield, Jarrell Sargent, Bob Jones, Jimmy Cummings, Maxwell Roberts, Jarrell Bledsoe, Darrell Bledsoe, Homer Alford, Gary Rowsey, Arnold Persinger, Butch Legg, Don Morrison, Owen Edwards, and Jack Morris. Musicians of the basketball team were Keith Barrett, Don Weatherholt, Gary Rowsey, Maxwell Roberts, Bob Jones, Butch Legg, Jack Morris, and Paul Hatfield—with Sue Billups, Charlotte Clay, Mary Queen, Dixie Kelley, Marion Hunt, and Jane Hollandsworth as the active female soloists, serving as the junior high cheerleaders. This ended our junior high school of music.

CHAPTER IV—TENTH GRADE. As "sophomores", entering in the fall of 1954, we were directed by Mary Queen, Sue Billups, Shirley Kinder, Dalvin Dailey, and Homer Alford, who helped Miss Kline, Miss Blake, Mrs. Harshbarger, and Mrs. McClung, our Assistant Conductors. Two of our instrument-playing musicians, joined the band this year. They were Peggy Ball and Sue Billups. Also, we will never forget our first band camp at Davis Creek. The outstanding event, which kept all musicians guessing, was our election for the attendant to "Miss Greyhound". The sophomore class chose Dixie Kelley as the most outstanding girl this year, and she was escorted by Jack Morris. Dixie was also elected as our only sophomore majorette for the marching band. Soloists participating in "B" team basketball were: Paul Hatfield, Gary Rowsey, Jack Morris, Arnold Persinger, Butch Legg, Maxwell Roberts, and Keith Barrett. Those who made the "varsity" football team were Darrell Bledsoe, Homer Alford, Jarrell Bledsoe, Gary Rowsey, Jimmy Cummings, and Bob Jones, Manager. The girls selected as senior high cheerleaders were Jane Hollandsworth, Mary Queen, and Sue Billups. The girls playing in intramural sports, capturing the

SCALE OF LEARNING

volleyball champ trophy for this year, were: Mildred Wallace, Joy Wetherholt, Donna Sunderland and Mary Queen.

CHAPTER V—ELEVENTH GRADE. September, 1955, entering as "flighty" juniors, we elected our class officers: President, Gary Rowsey; Vice President, Butch Legg; Secretary-Treasurer, Maxine Clay, who were sponsored by Mr. Eaton, Mrs. Peck, and Miss Wayland. This year, there was a change in our "Head Conductor", and we were then guided by Mr. A. D. Bradford. Soloists Jimmy Cummings was elected as the Co-editor of the *Miltonian* this year. Members of our junior class orchestra who wished to become Future Homemakers and Future Farmers were: Mary Spurlock, Donna Sunderland, Leoris Roberts, Barbara Jackson, Mildred Wallace, Jack McClung, Don Elkins, Don Morrison, Jimmy Edmonds, Joe Moore, Mack Morrison, and Charles McCallister. Dolores McKnight, Violetta Burdette, and Jane Hollandsworth, who kicked their legs high for the marching band, became our new majorettes. Soloists Charles Dailey and Christine Jenkins, our outstanding history students, attended "Know Your State Government Day", at Charleston, W. Va. The ever faithful musicians which upheld the name of the Milton Concert Hall, joined the football team. They were: George Cart, Don Weatherholt, Arnold Persinger, Butch Legg, Homer Alford, Jarrell Bledsoe, Charles Dailey, and Gary Rowsey. Those participating on the "varsity" basketball team were: Maxwell Roberts, Gary Rowsey, Butch Legg, and Arnold Persinger on the "B" squad. From our junior class orchestra, Jane Hollandsworth and Maxine Clay were chosen attendants to "Miss Greyhound", and participated in the homecoming parade, in which our class won first prize for the most outstanding float, with the theme, "Win Without Boasting, Lost Without Excuses". Our year was highlighted with the junior plays, with fifteen of our musicians taking part in them. Jane Hollandsworth, Jerry Templeton, Darrell Clagg, Lois Clark, Dixie Kelley, Cynthia Brown, and David Roane acted in the very hilarious play, "The Displaced Baby Sitter". Fred Dailey, Mildred Wallace, Barbara Jackson, Jimmy Cummings, Bob Jones, Maxine Clay, Charles Dailey, Dolores McKnight, Dalvin Dailey, and Dixie Hutchinson, acted in "Scarry Hollow", a mystery. The most exciting event of the year was our junior and senior prom, in which many of our musicians took part. Our musical theme was "Stairway to the Stars". As we depart for the summer for our different vacations, we are looking forward to the coming school year with anticipation.

CHAPTER VI—TWELFTH GRADE. As we reach the last step of the scale of learning, we are very proud to be the "almighty seniors" of '57. Our final Assistant Conductors were Mrs. Harshbarger, Mrs. Taylor, and Mr. Ball. Our Student Conductors chosen as our senior class officers were: President, Gary Rowsey; Vice President, Butch Legg; Secretary, Sue Billups; and Treasurer, Maxine Clay. Our senior class was honored with the new acquaintance of Rhea Little from Rainelle, W. Va. Rhea joined the band, as well as many other organizations. Soloists Arlene Dailey was our new addition to the high kicking majorettes. Many of our senior musicians played "varsity" football. They were guided by the three co-captains Charles Dailey, Butch Legg, and Gary Rowsey. Our senior quartet, consisting of Butch Legg, Gary Rowsey, Arnold Persinger, and Bob Jones, were the four musicians who played varsity basketball. The star of our concert hall, commonly known as "Miss Greyhound" was Maxine Clay, escorted by Butch Legg. Other attendants were Dixie Kelley and Jane Hollandsworth (Mrs. Frank Winters), escorted by Jimmy Cummings, and Jerry Templeton. We now have our class rings, which are mementos of our six years of musical learning. Future events which will close the happiest days of life are: senior skip day, class play, senior assembly, junior and senior prom and banquet, baccalaureate and commencement.

We now have ended our musical learning and the time has come to go into the world and put forth our achievements.

UNFINISHED SYMPHONY

It was a warm, beautiful night in May 1970. A feeling of anticipation crept from soul to soul as music floated softly about each cloud and slipped around the corner of each star. Descending the path to the milky way, going right into the past, seeing loved ones, faithful companions, pals, going—going—into the past—going.

"Why you're Dolores McKnight!" This subtle remark brought me back into the present stratosphere and made me realize that I was not in the past but in the future, now traveling across town. Much to my surprise, the voice was that of the owner and driver of a large corporation of Cadallic Taxis, Don Elkins.

Becoming once again old friends, Don pointed out many exciting things. As we stopped for a red light in front of what once was Sally's (now a 3 story cafe), I saw a dear friend, Bill Wise. Bill had bought an entire block, and was still standing on the corner watching the girls go by.

At this time I was informed of the great change made since I left Milton 13 years ago. Milton, Charleston, and Huntington have now been combined to make a nice city called Miltcharlington. This was approved by the governor of W. Va., Charles Dailey.

I'm really in quite a hurry since I've been specially invited to attend the Broadway production, "'57 Music Preview." It is a musical of many varieties with a cast of many school chums. Jane Winters and family wrote the production with Jim C. as the director.

I got out of the taxi in front of the theatre just in time to prevent quite a calamity. Seems as though there was a disagreement between Parthena and Maxwell as to whom would pay for their tickets. I paid the sum and saved the night.

As the usherette, Donna Cart, led me to my seat, I was much surprised to see Phyllis Powers and her three sets of twins, all red-headed boys, fighting their way through the huge crowd.

When I stepped on a neat pair of suedes, I turned to apologize and found the disgruntled owner to be Shirley Kinder. I smiled and asked if she had a family now. "Who's gonna get married?" she replied, flashing her 5 carat diamond around.

The master of ceremonies is none other than Gary Rowsey. He now has his own TV show called "Who, What, When, Where" with Mack Morrison as his personal Manager. He takes his bow and backs off the stage. I later found out that he broke his leg and that Dr. Homer Alfred took immediate care of him.

The curtains rise upon a lovely scene. Soft music floats through the air as Sue Roberts plays the organ and Pauletta Moses appears to be nearly floating on a cloud as her beautiful singing sends you 2 steps closer to heaven.

Nevertheless, you come back to earth again as the next performance is a musical comedy. Arnold Persinger is now a Magician and is cutting Donna Sunderland in two as his theme song "Too Much Monkey Business" make a pleasant background.

A short operetta starring Darrell Clagg follows and plucks the heart strings of each one present. As Darrell sings of his love to Maxine Clay, goddess of them all, the spell was suddenly broken when Robert Legg sat, ungraciously, down on my lap. I looked at him shocked because he had on fire-fighting clothes and still had the nozzle of a water hose in his hand. He explained, though, he had to fight a fire at the last minute. Seems as though Leoris Roberts burned her boiled eggs.

Once again the scene was lightened as a chorus line danced out on the stage, or at least it was scheduled to that effect. At the last minute Dixie K., Jane B., Patricia V., Shirley M. took chicken pox and Arlene D. had to go on with the show alone.

Looking toward the front I saw a well distinguished looking Male. Now a court stenographer in Washington, D. C. David Roane had returned to his home and sat taking the entire affair down in shorthand. Wanda and Gail Edmonds were his private secretaries and Danny Johnson was standing by to help with bookkeeping.

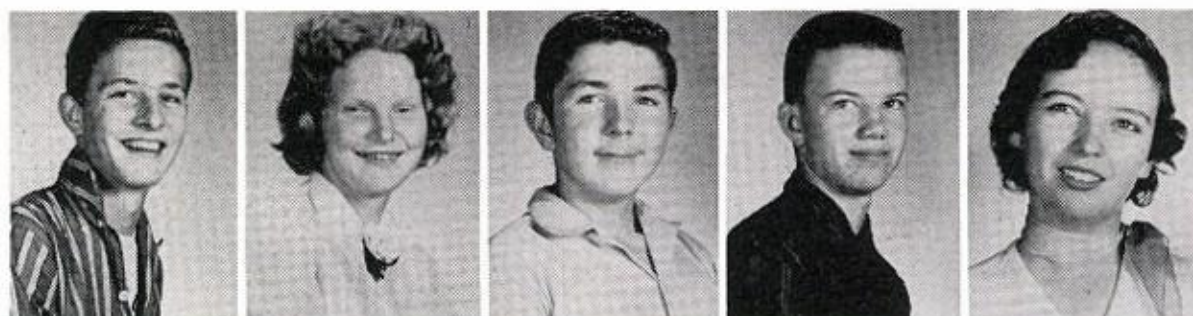

These unforgettable, pleasing experiences had worked together as notes in music and made a melody pleasing to the ears and hearts of us as we look back on our first musical teachings in our MHS conservatory. Now, in the future, we have worked and lived together and our lives have at last composed a beautiful song, that of everlasting loyal friendship and devotion to fellow man.

Athletics

The coaching staff includes Coaches John Allen, Floyd Davis and Lewis Ball.

VARSIY FOOTBALL TEAM

The 1956 Milton Greyhounds ended their football season with a 3-7 record. This is an improvement over last year's team which won two games to this year's three.

The Greyhounds edged Hamlin, 20-19; Wayne, 13-6; and Wahama, 13-7; but they lost to Madison, Montgomery, Vinson, Poca, Guyan Valley, St. Albans, and Hurricane. Probably the team could have won more games if more boys had participated.

The nine graduating Seniors on the team include: Darrell Bledsoe, Jarrell Bledsoe, Jim Cummings, Charles Dailey, George Cart, Homer Alford, William "Butch" Legg, Gary Rowsey, and Arnold Persinger. We, the Seniors, wish to thank the coaches, Mr. Davis, Mr. Allen, and Mr. Ball for their time and effort.

Good Luck, "'57" from the team of '56!

The Milton Greyhounds ended the regular basketball season with a 15-6 record, one of the best a Milton team has ever had. They have been under the supervision of Coaches John Allen, Floyd Davis, and Lewis Ball who have done an excellent job in producing a winning team this season.

The four graduating Seniors are Arnold Persinger, Bob Jones, "Butch" Legg, and Gary Rowsey.

Other members of the team are: Juniors: Harry Roberts, Larry Jordan, Charles Billups. Sophomores: Fred Burns, Carl Bragg, Don Jenkins and Mike McMellon.

HOLY, HOLY, HOLY

Holy, holy, holy; Lord God Almighty!
Early in the morning our songs shall rise to Thee;
Holy, holy, holy; merciful and mighty,
God in three persons, blessed Trinity!

Holy, holy, holy; all the saints adore Thee,
Casting down their golden crowns around the glassy sea;
Cherubim and seraphim falling down before Thee,
Which wert, and art, and evermore shalt be.

Holy, holy, holy! though the darkness hide Thee,
Though the eye of sinful man Thy glory may not see;
Only Thou are holy! there is none beside Thee,
Perfect in pow'r, in love, and purity.

Holy, holy, holy; Lord God Almighty!
All Thy works shall praise Thy name, in earth, and sky and sea.
Holy, holy, holy; merciful and mighty,
God in three persons, blessed Trinity! Amen.

MY FAITH LOOKS UP TO THEE

My faith looks up to Thee, Thou Lamb of Calvary,
Saviour divine! Now hear me while I pray, Take all my
guilt away, O let me from this day Be wholly Thine!

May Thy rich grace impart Strength to my fainting heart,
My zeal inspire; As Thou hast died for me, O, may my
love to Thee Pure, warm and changeless be, A living fire!

While life's dark maze I tread, And griefs around me spread,
Be Thou my Guide; Bid darkness turn to day, Wipe sorrow's
tears away, Nor let me ever stray From Thee aside.

When ends life's transient dream, When death's cold, sullen stream
Shall o'er me roll; Blest Saviour, then in love, Fear and dis-
trust remove; O bear me safe above, A ransomed soul!
